4KIDZ SAKE
601 South Washington St #186
Stillwater, OK 74074

Dear Terry and 4KIDZ SAKE Board of Directors,

BlueSTEM AgriLearning Center is honored to be the recipient of a generous donation from your organization. As a non-profit educational entity focused on bringing STEM (science, technology, engineering, mathematics) into the everyday lives and futures of our students, we look forward to expanding our opportunities through your gift.

As quoted on your organization's website, "Education is one thing no one can take away from you," we share your mission regarding the enrichment of educational opportunities as well as social, career, and other related services for all students. The BlueSTEM staff and volunteers have learned that the village necessary to raise a child goes far beyond the boundaries of our facility, town, county, state, and nation. While we may not have all the answers to our students' questions, we strive to collaborate and network with a plethora of individuals and organizations who believe in the power of curiosity and wonder.

Your thoughtful gift will be used to expand our existing programs as well as introduce new hands-on learning experiences for our students. With your support, we look forward to providing open doors for inquiry to all who enter our little world at BlueSTEM AgriLearning Center.

Thank you, again, for selecting our program to be a new partner with 4KIDZ SAKE. The future looks promising for everyone!

Respectfully,

A handwritten signature in black ink that reads "Kristy K Ehlers, PhD".
