Dear Jerry,

It was a pleasure to meet you during your visit to Meridian. Thanks to you and 4KidzSake for the generous contribution to our Adult Education and Family Literacy program.

Being able to afford the actual exam is often a barrier for individuals working to obtain their high school diploma. The funds from 4KidzSake will go directly to students to remove that barrier.

Thank you for impacting lives and helping Meridian fulfill our mission to educate, enrich lives and secure economic futures.

Regards
Rebecca Eastham
